Facilities Maintenance Worker

September 2025 – Present

- Maintained university recreation facilities, including sports fields, bathrooms, weight rooms, etc.
- Worked early shifts (7 AM or earlier) and arrived on time
- Completed work while battling the elements (heat, cold, inclement weather, etc.)

Oklahoma Air National Guard

Tulsa, OK

Facilities Assistant

June 2026 – August 2026

- Maintained Air National Guard facilities including fields, bathrooms, communication centers, etc.
- Worked early shifts (5AM most days)
- Completed work in summer during peak heat
- Used many different tools when completing tasks such as drills, hammers, saws, etc.

Skills

- Rhino 8 Proficiency – Adept in Rhino 8 software, including 3D and plan-view modeling
- Adobe Studio Proficiency – Adept in Adobe Studio software such as Photoshop and Illustrator
- Hard Worker – Able to overcome adversity and work through limits to achieve goals
- Good Communicator – Not only listens to what is said, but learns and remembers ideas from others
- Time Management – Aware of deadlines and how to balance time so that deliverables are met withing a certain timeframe

Interests

- Sketching – I enjoy sketching and other related drawing habits, as I feel they help me improve my feel and style when designs
- OU Football – I'm a huge fan of OU Football, and I enjoy going to home games with friends and family
- Music – I like to listen to music at all times of the day, especially when I'm working on architecture homework, as it allows me to flow with my work and inspires my designs
